2. Mr. Abersfeller, GSA, Region 3, telephoned to inform me that the Declaration of Taking for the two parcels of property near the headquarters building went to the Department of Justice yesterday. Things should move right along now; however, he said that it would take at least ten days for us to get title but he anticipated no problem in the courts. H

3. [REDACTED] advised me that the Director wanted a critique of the National War College course from our students who attended this year. (I have asked [REDACTED] to see that this is prepared.) The Director also wanted a study made of all Agency NWC graduates. He would like to know who they are, where are they today, and how, if we can tell, their attendance at the National War College has affected their careers. (I have asked Emmett Echols to prepare such a study.)

25X1A 6. In the course of the day I told [REDACTED] thought General 25X1A9a
Carter should do something promptly at [REDACTED] inasmuch as Mr.
Kirkpatrick has already told [REDACTED] and Bob Bannerman that he would be
transferred to the Office of Security. General Carter saw [REDACTED] who also 25X1A
saw Dick Helms. The pieces should fall into place rather easily now; however,
as far as I know, General Carter has not yet communicated his desires officially
to Dick nor has he communicated them to me.
